Who have applied to sit for the M.C.S Exam as many as 18 have been declared unfit by the Medical Board. Apparently, the test must have been somewhat severe. Last year on the previous occasion, on the applications of some of the disqualified candidates, a report was obtained as to the reasons for disqualification in those cases. After that, two candidates were permitted to take the Exam. If approved, similar action will be taken now.

Sir,

I beg to submit the following facts for your kind consideration and favourable orders.

I am an approved candidate for the ensuing M.C.S. examination. I believe that as many as 19 out of the 46 approved candidates have been disqualified. The toll falls particularly heavily on the candidates from the Arts college, more than 11 out of 16 candidates being disqualified. It appears therefore that the Board has set up before itself a higher standard of physical fitness than that adapted for the previous M.C.S. examination. This unexpected rise has caused me great inconvenience as I was not able to send up my application for the Federal Audit and Accounts Services examination, the time table of which clashes

with the time table of the M.C.S. examination
I beg to respectfully submit that Dr P.R. Subba
Rao, a member of the Medical Board granted me
the preliminary certificate of physical fitness for
the purpose of appearing for this examination,
and I hope I am not presumptuous in believing
that I would not have been disqualified by the
Medical Board but for a sudden rise in the
Standard adapted by them. I shall be grateful if
my case is reconsidered and I am permitted to
appear for the ensuing M.C.S. Examination

I beg to remain,
Sir,
Yours obediently

Respected Sir,

Kindly permit me to represent the following matter for your sympathetic consideration.

I was intimated by the Secretary, M.C.S. Examination Committee, in his letter M.C.S. 20156 ~~74/3-8~~ that the Medical Board have declared me unfit for admission to the ensuing Mysore Civil Service examination. This was to me a bolt from the blue; for one thing, that I have devoted the evening hours of my days in the College to physical culture, and have been keeping good physique throghout; and for another, that the standard of medical test should have been raised so high, compared with that of the last M.C.S. test, for I have no reason to believe that there has been any sudden deterioration in the physique of University students since then. Further, an unfortunate mistake has been made in recording my chest measurement as thirty inches, while it actually measures thirty one inches. I have a strong hope that the Medical Board may reconsider their opinion in view of the correction of this unintentioned mistake.

I request you therefore, kindly to refer the matter to the Medical Board for reconsideration, and oblige.

Thanking you,

Sir,

Dear Sir,

I am an approved Candidate to the forthcoming Mysore Civil Service Examination and it has come as a great surprise to me to learn that the Medical Board has disqualified me - I do not know on what grounds. The District Medical officer who examined me only a short time ago has certified under my application the absence of any executive medical disqualification in me and nothing ~~nothing~~ of a disqualifying nature could have been discovered in me during the Survey of about 10 minutes by the Medical Board which would not already have been pointed out to me as a warning by the Medical Officer, who Conducted a Similar examination before certifying I was certified medically fit to sit for the last Civil Service Examination held in 1936 and since then as I have been actively engaged in outdoor exercise I feel very much stronger and better than I was 2 years ago. As I find that more than 40% of the Candidates have been medically disqualified this year as against

only 12% last time, and as it is unlikely that such a large number would be suffering from a permanent and incurable infirmity or injury that would be a bar to executive Civil service, it looks as if some unusual and unnecessarily high standard might have been expected. As both in the Indian Civil Service and the Mysore Civil Service no such standard was ever expected, and the drastic purge now effected would be a great hardship particularly to those who are in possession of perfect health, I take the liberty of requesting that the Government be kindly pleased to move for a review of my case either by the Medical Board or the Senior Surgeon either to correct a possible oversight or lower an unnecessarily high standard.

I request, finally, that the above remarks should not be regarded as impudent but as a commendable frank explanation.

I beg to remain Sir
Yours most faithfully,

L. S. Shipathy.

Sir,

I am one of the candidates who have been disqualified by the Medical Board of the Mysore Civil Service Examination 1938. Needless to say Sir, the disqualification has come as a rude shock to me. I had been passed by the Mysore Civil Service exam Medical Board in 1936 and I do not see any reason how much change can have occured in my physical fitness to entail a disqualification. I would also venture to submit that I have won nearly 25 trophies in the tennis tournaments having been champion of both the Mysore and Bombay Universities. I had also appeared for the Indian Civil Service and have been able to satisfy the Standard of Physical fitness demanded by the Federal Public Services Commission

I. We highly appreciate and also in

view of the largness of the number of disqualifications

this year by the Medical board — nearly 45% —

I feel that the standard from which the medical

board has judged us has been very high

I therefore request you to kindly move the

Government for a reconsideration of my case

if necessary a re-examination.

Thanking you Sir

Yours obediently

Sir,

Permit me to bring the facts below for your kind consideration.

I am an applicant for the Mysore Civil Service Competitive Examination to be held in November this year. I am unfortunately declared unfit for entry to the examination by the Medical Board constituted for the purpose of examining the physical fitness of Candidates. I beg to state that I am assured by competent medical opinion that I do not suffer from any permanent or incurable disease which alone is a ground for disqualification considered by the Indian Federal Public Service Commission. I am also satisfied that I answer the normal standard requirements of physical fitness demanded for purposes of Competitive Examinations. As a matter for additional consideration I may be permitted to state that I have been granted two certificates of physical fitness in the period

P.T.O.

of three months prior to the Examination by the Medical Board. I have also had the privilege of representing my college team in several sporting events. I beg to represent that the Government may kindly be moved to reconsider the verdict of the Medical Board, if necessary, on the basis of a re-examination in the light of the considerations described above, so as to enable the acceptance of my candidature for the ensuing Mysore Civil Service Competitive Examination.

Respected Sir,

Kindly allow me to bring the following points to your kind notice.

I am one of the candidates who had applied for the Mysore civil service examination to be held in November '38, but to my great disappointment, I find that I have been declared to be unfit for that service by the Medical board. I am under the impression that the peculiar character of my skin, namely the dry scaly skin, might have been mistaken for a disease and hence the disqualification for by the periodical medical Examination I have been undergoing, I find that I do not suffer from any bodily infirmity or any constitutional disease.

Several doctors and skin specialists who have examined me at various periods since my childhood are of the opinion that this is no disease. Keeping the skin soft by oil bath and application of oil, practically checks the cracking of the skin. This does not interfere with any of my normal functions. I respectfully submit that this will not come in the way of discharging my duties as an executive officer. Dr. D. S. Puttanna, Medical officer, Victoria Hospital, has certified that I am quite fit, both for the Revenue probationership and the Mysore civil

Service.

I request you to kindly move in this matter and have me re-examined by any medical board that may be appointed by the Government. If required, I shall produce a certificate from any Skin Specialist of standing to the effect that this is no disease.

Requesting you to kindly enable me to sit for the Examination and thanking you

I beg to remain

Sir,

I beg leave to bring the following appeal for your kind Consideration.

I am one of the applicants to the ensuing M.C.S, examination, who have been declared unfit by the medical board. I wish to request you earnestly to reconsider my case in view of the following circumstances.

Before applying to the M.C.S, examination I had been examined thoroughly by Dr, Venkata Subba Rao, the physician of the Krishna Rajendra Hospital, Mysore, who took nearly an hour and assured me at the end, of my perfect normality. I was also examined by the Railway D.M.O, at Mysore and found Satisfactory. But a few days later, I got an attack of Malaria and

Suffered for some weeks that naturally reduced my weight and rendered me pale and weak. In that weak condition I was examined by the ~~board~~ medical board. The ~~bare~~ probability of any recent illness was not suspected by the board and I also did not inform it about it. It is not inconceivable that my weakness might have been the ground for my disqualification. The other after-effects of severe malaria might have been also taken as the permanent conditions of my constitution. These grounds of my disqualification, I submit, Sir, are temporary and curable troubles. In view of the definite declaration of fitness by the other doctors of undoubted responsibility and competence as to the temporary and curable nature of the troubles, I suffered from during the examination by the board, I appeal to you, Sir, most humbly to effect a reconsideration of my case. I remain yours

most obediently,

Sir,

I beg to submit this, my appeal, to your kind consideration and favourable decision;-

I am one of the candidates for the ensuing Mysore Civil Service Examination. I have just now received a communication Number M.C.S. 156-74/38, dated 25th July 1938, from the Secretary to the Mysore Civil Service Committee, intimating me, to my utter surprise, that I have been declared medically unfit to sit for the examination.

In this connection, I beg to state that I was declared medically fit when I appeared for the last Mysore Civil Service Examination in 1936. Sober and very regular in my habits, and devoid of any vices, I am at a loss to know what exactly are my constitutional defects rendering me totally unfit for the task. My parents are quite healthy and free from any disease, and as such there is no possibility of my having acquired anything in that direction.

And since the time of the previous mysore civil service examination, I have never fallen ill and have also had occasions to appear before medical men who have certified that I am of good health qualified for public service, even in the month of May last.

Under the above circumstances I request that my case may be kindly reconsidered to permit me to sit for the examination.

Thanking you,

Respected Sir,

I had put in my application for the I.C.S. examination, and I am informed that I have been declared medically unfit and that I would not be permitted to appear for the examination. As many as nineteen of the applicants have been disqualified as medically unfit though in 1936 only about fourteen of the hundred and thirteen applicants were detained. I do not know the reason for my detention but I believe it should be due to a very minor defect. I pray that my application may be reconsidered regarding to this fact and favourable response be given.

29/7

Sir,

CHIEF SECRETARY. 27 JUL 1938 GOVT. OF MYSORE.

30/7

We the undersigned candidates for the Mysore Civil Service Examination of 1938 humbly venture to submit the following facts for your kind and favourable consideration.

We belong to the unfortunate group of candidates who have not been passed by the Medical Board and as such cannot appear for the examination. The number of candidates who have been disqualified is twenty out of a total number of forty-six applicants. It is, Sir, the first time in the history of the Mysore Civil Service examinations that such a large number has been rejected by a Medical Board. The percentage of disqualification this year amounts to forty-five. In view of the largeness in number of the rejected candidates and also in view of the assurance as regards our physical fitness tendered by competent medical authority, we feel that the Medical Board have judged the candidates from an unusually high standard But at the same time we wish to make it clear that we are not questioning the decision of the board or its capacity for judgment. We only feel that the standard of physical fitness demanded of the candidates has been very high. We have looked into the standard of physical fitness demanded for the Indian Civil Service and feel that most of us answer it. Moreover, none of us have been suffering from any permanent or incurable disease, which alone would prevent admission into the I.C.S.

Further, some of us who had appeared for the M.C.S. examination of 1936 were passed by the Medical Board then constituted for the purpose. Many of us, besides, have also distinguished ourselves on the sporting field and represented our University and Colleges in important sporting events. Needless to say, Sir, we have had a brilliant University career and the disqualification by the Medical Board has meant the blasting of all our hopes and ambitions in life.

In the light of the above facts, we humbly appeal to your magnanimous self to order a revision of the medical report, or if necessary, a re-examination of the candidates on a more liberal basis. You have always been, Sir, a source of inspiration and encouragement to the student world and we have every confidence that this prayer of ours will receive your kind and favourable consideration.

ENC.

DEAR Dr. Puttanna,

As you are aware, the Medical Board for examining M.C.S. candidates have disqualified 18 out of 45 examined as physically unsuitable on various grounds. Thirteen of the rejected candidates have approached Government for a review of their cases. It is also mentioned by some of these applicants that while they had been certified as fit by one or other of the Members of the Board in their individual capacity, they have been declared unfit in the Board's collective opinion.

In view of the large number of rejections, I am to request you to let me know if the Board think that some of these persons while not being quite up to the level of physical fitness desirable in a civilian may yet be expected to become reasonably fit with care, food and exercise in the near future. All the rejected names and the notes on them may be further scrutinised and the names of such persons as the Board think may be given the chance of any further examination before final decision, may be ~~informed~~ intimated to me.

Yours sincerely,
Sd. B. K. Narayana Rao

Dear Sir,

With reference to your D.O. letter M.C.S.239/38-39 dated 1.8.38 communicating the results of the medical examination of the candidates for the ensuing M.C.S.Examination, that on the representation of some of the candidates who were disqualified by the Medical Board, the opinion of the Senior Surgeon was invited as to whether the defects in the case of any of them were such as to merit a re-examination. It is reported by the Senior Surgeon that the Chairman of the Medical Board, who was consulted in the matter, has suggested, after a scrutiny of the findings of the examination of all the candidates, that the following candidates may be recalled and again for a further examination:-

Sir

The applicant begs to bring the following lines to your kind consideration.

I belong to that unfortunate group of candidates who have been disqualified as unfit for admission to the ~~existing~~ Mysore Civil Service Examination. The preliminary medical certificate was given to me by Mr. P.R. Subbaraao, himself who was also a member of the Medical Board constituted to examine the candidates. I am fit enough, as I have been to believe and perhaps I have been judged according to a very high standard.

Hence I beg you to have my Case reconsidered by the Board. I beg once again to give me an early favourable reply.

I have the honour to be your
Obedient servant

Sir,

I was a Candidate for the ensuing Mysore Civil Service examination, but have been disqualified by the Medical Board. I am convinced that this must have been due to some mistake as other doctors opine that I am quite fit. I request that my Case might be reconsidered.

Yours faithfully,

CHIEF SECRETARY

GOVT OF MYSORE

Sir

I am one or those candidates who had appeared for the M.C.S.Examination,and had the bad fortune of being rejected by the Medical Board on the plea of Physical deficiency.Some surprise was given rise to by the communication we received from the Medical Board,where my case was curtly dismissed as one of those cases of absence of physical fitness.

It appears that a deputation of the rejected candidates visited on last Monday,asking at your hands for a reconsideration of their cases.The deputation returned to Mysore, very optimistic about their case.I now request you to kindly intimate whether I have got any chance in appearing for the examination.

Thanking you in anticipation,

Yours Faithfully,

To

Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
BANGALORE.

Sir,

My second son Mr. Raghunatha Rao Badami is a candidate for the Mysore Civil Service Examination. He was rejected by the Medical Board. Subsequently he made a representation to Government regarding the nature of his dry skin and requested them to get him re-examined in view of his representations. I am now given to understand that he is not even one of those who have been called for re-examination. Though I was convinced that there was nothing radically wrong with the boy as was evidenced by periodical examinations I got a little anxious about his health and future prospects by the verdict of the Medical Board. I requested Lt. Col. Hance, Residency Surgeon to examine him in detail and give me his opinion, so that I could make arrangements to get the boy treated adequately if necessary and to make further arrangements for his future studies. Lt. Col. Hance has kindly examined him and sent in his valuable report which assures me about the sound health of the boy and his fitness for appearing for the I.C.S. or I.F.C.S. Examinations. He does not attach any clinical value to the dry skin. May I also add that Dr. Puttanna was kind enough to grant physical fitness certificate to the boy to send them along with his applications to the

the post of Revenue Probationers and the Mysore Civil Service Examination.

Evidently there seems to be a difference of opinion between medical men. All along eminent medical men have assured me that the dry skin need not cause any anxiety and that " no clinical value " should be attached to it. If on the score of his "dry skin" my boy has been rejected, may I have the liberty of requesting Government to give him a chance to appear for the examination. He has had a brilliant educational career and since submitting his application he has passed his M.Sc;, Examination in first class with Mathematics as his subject. I felt it my duty to place this matter before the Government and I earnestly request that the boy's case may be sympathetically considered.

I am herein enclosing the original certificate granted by Lt. Col. Hance for kind perusal and return.

I have the honour to be,

Sir,

Your most obedient servant,

K Badami

Dear Sir,

Subject:- Physical fitness of candidates for the ensuing Mysore Civil Service Examination.

As a result of the re-examination conducted by the Medical Board on 30th August 1938, four more candidates have been declared fit to appear for the ensuing Mysore Civil Service Examination, and they have been apprised of the same. A copy of the letter received from the Senior Surgeon in Mysore enclosing a copy of the report of the President of the Medical Board is herewith enclosed.

Copy of letter D.O. No. G.C. 319-18 dated 1st September 1938 from the Senior Surgeon in Mysore, Bangalore.

With reference to your letter No. 294/38 dated 16th August 1938, I enclose herein a copy of letter No. 62-63 dated 30th August 1938 received from Dr. D.S.Puttanna, President, Medical Board, stating that of the six candidates who were re-examined by the Board, only four viz., Messrs S.S. Raghavachar, B.S.Rama Rao, A.P.Srinivasa Murthy and A.K. Narayana Rao are expected to (be) become reasonably fit with care, food and exercise in the near future and that the Board is of opinion that they are fit to appear for the M.C.S. examination.

Mr. Noor Hussain, B.A., is said to have not appeared before the board for examination.

With reference to your D.O. No. G.C. 318-25 dated 17th August 1938, I write to state that all the six - candidates that turned up for further examination in the light of the observations made by you, were examined by the Board this day. They are of opinion that out of these, only four viz., Messrs S.S.Raghavachar, B.S.Rama Rao A.P.Srinivasa Murthy and A.K.Narayana Rao, although not being at present up to the level of physical fitness desirable in a Civilian, may yet be expected to become reasonably fit with care, food and exercise in the near future and are therefore of opinion that they are fit to appear for the examination.

Mr. Noor Hussain, B.A., did not appear before the Board for examination.
